

Foldable Ephemera Envelope

INSTRUCTIONS:

1. Cut all shapes around their edges.
2. Line up the cut shapes with the corresponding corners of an 11x17 cardstock sheet.
3. Trace the inner edges.
4. Cut along the traced lines.
5. Refer to the diagram on Page 3 to snip the two bottom envelope sides and fold along the fold line. Use a ruler edge to make crisp folds along the fold lines indicated.
